

## **BIG LOTTERY FUND SCOTLAND**

The Young People's Fund in Scotland is a £20 million grant programme to help young people aged 11-25 learn new things and take part in healthy and positive activities that make them feel good about themselves.

If your project involves any aspect of building work either indoor or outdoor or costs of buying land or property, we have extra requirements. Please contact the Scotland Information Team on 0870 240 2391 for the additional guidance on the extra guidance you'll be required to submit.
